

*Hello! We have just launched an upgrade to the Miracle Set!! I have enclosed for you a sample to try. You are an important customer and I want to thank you for all your business over the years. Trust me after 18 years we needed an upgrade!*

*You will receive a \$25 discount off the new full set.*

*The NEW lotions are including the day solution with the moisturizer and the night does the same- so Price went DOWN (on full system) yet less steps. We are offering a choice on the spf.*

*Not only paraben free providing the best protection against environmental free radicals (we have now found 80 percent of aging is not genetics it is environment). The new 3D is providing results in only 4 weeks (vs 12). I pray you will enjoy this. The lotion is thicker but not heavier and last times running about the same. The current timewise that we have had for years is no longer going to be manufactured, but I should be able to still get it to you for a very short time if you wish to make one more reorder but honestly this is WAY WAY Better*

*If you don't wish to use full system please talk to me I have ideas on how to fit your needs and shift to fit what you are looking for!*

*Oxoxo*

*Michele*
